- 1 tablespoon pomegranate juice
- 1 tablespoon fresh lime juice
- 1 tablespoon agave syrup (or sugar syrup)
- 3 tablespoons hard apple cider or cidre doux
- Pear slices

Preparation

Shred pear; place pulp on several layers of cheesecloth. Gather edge of cheesecloth together; squeeze over a glass measuring cup to yield 1/3 cup juice. Discard solids. Top each serving with 1 1/2 tablespoons hard apple cider. Garnish with pear slices.
